

MICRO-TOUCH[®] Central Supply – SPD Plus ULNCS

High Risk

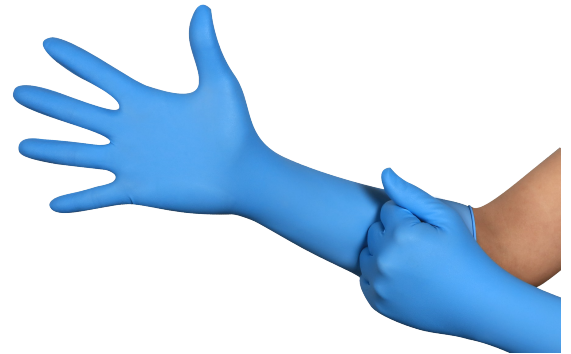

Disposable medical exam gloves with 33% longer, up-to-the-elbow protection for high-risk situations

- **Expanded protection:** MICRO-TOUCH[®] Central Supply SPD Plus medical exam disposable gloves are 16"/400mm-long for extended protection to the elbow
- **Thick finger design:** Their robust 9 mil thickness at the finger provides extra protection against rips, tears and punctures
- **Good value:** Due to their long length, these gloves offer cost savings and improved protection versus fluid resistant cuff sleeves
- **Chemical and Chemo resistant:** Tested against fentanyl, as well as 10 commonly used chemicals and 15 chemotherapy drugs* commonly used in the Hospital Central Supply or Sterile Processing Department.

* Contact Ansell Customer Service for specific chemotherapy drug permeation times and recommendations

Recommended For

- Central Supply
- Sterile Processing Department
- Biohazard response
- Laboratory analysis
- Preventing the risk of cross-contamination

MICRO-TOUCH[®] Everyday, Everywhere Protection

MICRO-TOUCH[®] premium medical examination gloves are scientifically designed to complement every need of medical professionals. Sophisticated design features include Ansell ergonomic technologies that ensure comfort during extended procedures, wet grip innovations that prevent harmful mishandling, and micro-thin films for maximum sensitivity. Caregivers who are fully prepared and comfortably protected by versatile MICRO-TOUCH styles have the peace of mind to focus on what matters most: the health and protection of themselves and their patients.
