

MICRO-TOUCH® DermaClean®

Essential Series

Latex, powder-free medical exam glove with excellent grip properties

- Secure grip: Thanks to its textured outer surface, this non-sterile glove has excellent grip levels in wet and dry conditions, and is ideal for healthcare providers who handle instrumentation, test tubes or infusion equipment
- **Comfortable fit:** Ansell's natural rubber latex formulation ensures flexibility in a comfortable, well-fitting glove
- Easy donning: The smooth, chlorinated inner surface facilitates ease of donning

CAUTION: This product contains natural rubber latex, which may cause allergic reactions

• Brief, low-risk examination procedures

MICRO-TOUCH® Everyday, Everywhere Protection

MICRO-TOUCH® premium medical examination gloves are scientifically designed to complement every need of medical professionals. Sophisticated design features include Ansell ergonomic technologies that ensure comfort during extended procedures, wet grip innovations that prevent harmful mishandling, and micro-thin films for maximum sensitivity. Caregivers who are fully prepared and comfortably protected by versatile MICRO-TOUCH styles have the peace of mind to focus on what matters most: the health and protection of themselves and their patients.

MICRO-TOUCH® DermaClean®
