

R-103

Padded palm automotive glove with slip-on cuff.

Multi Purpose

Light Duty

Tire Buddy auto aftermarket gloves combine a padded palm and slip-on cuff for durability and ease use

- **Improved wear and durability:** RINGERS® R103 Tire Buddy auto aftermarket protective gloves feature abrasion-resistant EVA foam split palm padding, which limits hand fatigue when worn throughout the day
- **Strengthened grip:** Rubberized Clarino® Zeus fingers, with a tacky surface, coupled with an EVA foam-padded split palm, combine to deliver strong grip performance
- **Genuine practicality:** A slip-on elastic cuff ensures easy-to-use personal protection, while touchscreen-compatible fingertips provide unencumbered workplace safety
- **Enhanced flexibility and comfort:** Developed with RINGERS® F3 Technology™ and made with high-grade spandex material, these automotive gloves combine flexibility, dexterity and breathable comfort

Industries

- Automotive
- Construction
- Manufacturing
- Machinery and Equipment
- Automotive Aftermarket

Applications

- General Purpose Auto Aftermarket
- Engine transmission and repair
- Tire rotation & changes

R-103
