

## R-662

Leather comfort and dexterity with ideal impact and cut protection.

Impact

Abrasion Protection

Cut

Light Duty

## Premium leather cut-resistant impact gloves, combining dexterity and comfort

- **Improved durability and dexterity:** Developed with F3 Technology™, high-quality grain goatskin leather and a wraparound index finger design, as well as a thumb saddle patch reinforcing the seams, these work gloves combine dexterity, durability and advanced cut resistance
- **Cut-resistant palm lining:** RINGERS® R662 R-Hide Light-Duty Impact gloves feature full palm lining, for further enhanced cut resistance and excellent all-round hand protection
- **Specialized protection:** RINGERS® R662 R-Hide Light-Duty Impact gloves feature an increased visibility TPR (thermoplastic rubber) design around knuckles, thumb and fingers, delivering superb impact protection
- **Enhanced features:** These safety gloves' slip-on cuff design facilitates donning and removal, boosting safety and ease of use, while a wing-thumb construction and single full palm further improve their flexibility

### Industries

- Manufacturing
- Oil and gas
- Machinery and Equipment
- DIY
- Construction
- Automotive Aftermarket
- Metal fabrication

### Applications

- Preparation of site - unloading of lines and valves
- Handling iron - rigging work
- Handling of tools
- Heavy machine operation
- Equipment maintenance and repair
- Pipe handling
- Handling materials with sharp or rough edges
- Loading raw material

# R-662

Leather comfort and dexterity with ideal impact and cut protection.

## Key Features

- **High-quality grain goatskin leather:** Enhanced dexterity and durability
- **Superior cut-resistant lining:** Palm cut resistance for wearers
- **Slip-on cuff design:** For impact gloves that are easy to don and remove

## Performance Standards & Regulatory Compliance

ANSI/ISEA 105-2024

EN388: 2016

2X23DP
