

58-008 Extended length chemical protection

Nitrile polymer gloves with an extended full-arm cuff for enhanced chemical resistance

- Specialized protection: AlphaTec[®] 58-008 nitrile polymer gloves offer Type A chemical protection under the new ENISO 374:2016, ensuring superior personal protection against oils, fats, greases and hydrocarbons, besides providing excellent mechanical protection
- Enhanced features: These safety gloves feature an extended and wide cuff, which affords increased chemical protection to the forearm and allows the wearer to don it over protective clothing
- Improved grip: Lozenge grip pattern on AlphaTec[®] 58-008 nitrile polymer gloves deliver enhanced grip performance in dry and wet conditions, besides improving dexterity and reducing hand fatigue

Industries

- Agriculture
